

Hilltop Christian School Board of Trustees Seeks Volunteers for Open Positions

The Board of Trustees at Hilltop Christian School relies on parents of current and past students, grandparents, church members, and interested members of the local community to volunteer their time to serve on the school board. We encourage you to consider this outstanding opportunity to make a difference in our school and our community.

The members of the board play a **vital** role in the life of Hilltop Christian School by supplementing and assisting the school staff to provide a rich educational environment for students and their families. The board is responsible for fundraising and community events, marketing, the Parent-School Association, NAEYC compliance, and general oversight of school staff, policy, and operations. **Whatever your professional background or special skills, the Board can use your time and your talents!**

Board members typically serve a three-year term, with retiring members stepping down at the close of their third school year. However, circumstances can change and we may have vacancies arise at any time during the year. The time commitment varies, depending upon the nature of the position you hold and the time you feel you can give. In addition to regular attendance at monthly board meetings, our members typically give an average of 10 extra hours per month to work on their duties for the school board.

Serving on the Board of Trustees is a wonderful way to play a positive and dynamic role in the success of Hilltop Christian School and to make a difference in the lives of our students. If you are interested in joining this vibrant group of committed individuals, please complete the attached questionnaire and return it to the school office or to any board member. We will use this information to match your skills with current vacancies.

Thank You!
